**SUMMARY of today 🇸🇦**

We looked at the proposal for a shared instagram statement and gave some feedback. Alina, Spencer and Maddie will edit and bring it to the next meeting with a visual example! We shared the "How to assemble a monument" zine from RV and I will upload the pdf for reprinting in the cryptpad.

TUA shared more details about the exhibition/fundraiser in May and we brainstormed how to participate in that!

Next meeting Wednesday 13th, 14 CET

To look at the statement and hopefully decide on a final edit! & if there are more ideas, things to bring up, think of agenda points!

Thank you all for a sweet and productive meeting, we're excited for next week!
