## Plan for next semester

- Robin: Lecture series (communication and boundaries), support for other events and organisations
- Nereus: Student union queer space/event (more constant space, feedback space, resources), open-call for exhibitions, more film screenings - organise meeting about queer space at KABK (in January)
- Stella: Student Lounge (space at KABK, combined with other student initiatives, events)
- Marina: Film screening (Palestine), political event series, unions (bringing more politics into the student union), small festival (open call)

To dos following from this

- Meeting about queer collective
- Meeting about student lounge - 21.01 -

#### 13.01 - Event

- To do
- Update: final task force meeting about future of art science, division of masters and bachelors (KABK and Conservatory), no more guest teachers, no new bachelor students, division of years
- Suggestions: one more assembly with art science hosted by the management (in January, but after the 13.01)
- Notes for the conversation
  - Are we a community or a school? How do you run a community rather than a school?
  - What does involvement of students in decision-making mean?
- What do we want the event to be about? - informative, discussion,
- Art science situation, communication and decision making

#### Plan for the event

- Information about art science situation
- List of demands (half-prepared, things can be added)
- Battle plan for art science - how can we (as the student body) help at the moment?
- Culture of communication, decision making and transparency (invite student reps from other departments for input)
- Discussions in groups (come up with concrete demands, actions, ideas etc)
- Wrap up with everybody - concrete actions for the future
- Communication - via student reps and via informal channel

#### Other things to do/think about

- Meeting with Directors - maybe last week of January?
- Admin hour - every Wednesday 13.00 (at KABK) for weekly/regular tasks
